THZ17102US | Targus Versavu™ Rotating Keyboard Case & Stand for iPad® 3 (Red)

Transform your iPad into the ultimate viewing and typing experience with the Versavu Keyboard Case from Targus. With 360 degree rotating axis and soft-touch liner, no other competitor offers you more. Take this case everywhere you go and know that your iPad is completely protected. The Versavu Keyboard Case includes a QWERTY, low-profile Bluetooth® keyboard that provides tactile feedback to the user to improve typing accuracy and speed while maintaining a quiet typing experience. The keyboard can be charged inside of the case for an easy-to-sync, cable-free user experience. This product boasts a stain-resistant padded exterior that wipes clean with water, along with a lining made from soft-touch material. The Versavu Keyboard Case is perfect for either at work or while you travel. Type, watch, browse or chat, as this stand features a patent-pending rotating design that allows you to view in either portrait or landscape angles. Be proud of your branding and style with the brightly colored cover which frames the Apple logo.
